"Herbal, you were here when Sparrowhawk and Thorion were challenged by Irioth. His gift was as great as Thorion's, I think. He used it to use men, to control them wholly. Is that what Thorion does?" "Set a price?" he flashed out. Then he remembered who he was not, and spoke humbly. "No. I didn't." "Why are we wasting time here?" he demanded, as Tern let the bucket down into the well. Medra woke in pain, in darkness. For a long time that was all there was. The pain came and went, the darkness remained. Once it lightened a little into a twilight in which he could dimly see. He saw a slope running down from where he lay towards a wall of stones, across which was darkness again. But he could not get up to walk to the wall, and presently the pain came back very sharp in his arm and hip and head. Then the darkness came around him, and then nothing. it has no portal or grand entryway at all. You can enter by what they call the back door, which, could see, behind a small glass pane in the center, the glow of its transistorized heart. Soon, he thought now, he would not need one. He would have real power over her. He had finally. The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons. Standing on that hill, Medra had said, "There is a vein of water, just under where I stand, that will not go dry." They dug down carefully and came to the water; they let it leap up into the sunlight; and the first part of the Great House they made was its inmost heart, the courtyard of the fountain. "Where will you go?" he said. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (35 of 111) [2/5/2004 12:33:30 AM]. far as Diamond could see, doing no magic at all. It would have made a happy ending, but he would not have it. To leave so, without a word, on his nameday night, to go off with the witch-girl, leaving all the honest work undone, to be a vagrant musician, a harper twanging and singing and grinning for pennies -- there was nothing but shame and pain and anger in it for Golden. So he had his tragedy. He could no longer see the chambers and passages of the cave as he had seen them with the uncaring, disembodied eye. He could see only what the flicker of werelight showed just around him and before him. Diamond had been given his truename at the springs of the Amia in the hills above Glade. The wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And Hemlock was invited to his nameday party the year after, a big party, beer and food for all, and new clothes, a shirt or skirt or shift for every child, which was an old custom in the West of Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all the boys his age in town and all the girls too. The young people danced, and some of them had a bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night.
