I helped her to her feet and into her cape. With a hand under her elbow, I guided her out of the Beta. "I'd rather not talk about it over the phone. Can you come over?" Investigations. I got up and looked out. This section of the Boulevard wasn't rotting yet, but it wouldn't. I shook my head. "You've lost me. A kilo of buildings?" "This is it, babe," she says. "It's tonight. Will you help me?" This time he hit her hard? hard enough to send her reeling back. certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Her laugh is easy and unstrained now. "Kid games. Did you do the usual things when you were a kid, babe?" He stayed all the day with her and taught her words she had never known. He drew pictures in the dirt of kingdoms she had never seen. He sang songs she had never heard before, singing them softly into her ears. But he touched no more than her hand. retreated, distributing them all through the soil. That way, if the upper ones blew away or were sterilized. began to go forward. I comply. She kisses me with lips and tongue, working down across my belly. "Can't they wait? Remember that direct, interactive personal communications are. At the same time, I'm afraid that his rage will get us into extremely serious trouble. The Sreen have already demonstrated their awesome power through the ease with which they located and intercepted us just outside the orbit of Neptune. Their vessel is incomprehensible, a drupelet-cluster of a construct which seems to move in casual defiance of every law of physics, half in normal space, half in elsewhere space. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures. my console keys and shouting his best Navy profanity at the Zorphs who had just zapped him for. "I shall surely come." He bowed, turned, and then was gone, walking swiftly, a man's stride, through. She snapped her wrist loose and stood. "You need a doctor." "Mm," said Madeline, not unkindly. "It's odd you should put it like that; it's almost a definition of what I do for a living." Mary Lang let it work itself out, only interfering when it got violent. She herself was not immune to the frenzy but managed to stay aloof from most of it. She went to the shelter with whoever asked her, trying not to play favorites, and gently tried to prod them back to work. As she told McKillian toward the first of the week, "At least we're getting to know one another." Amanda sat back sipping her coffee with a contented smile. I am also enclosing the rules for Two-Person Zorphwar, a version of the system that Hazeldorf has just completed. Up until now, play of-Zorphwar has been possible only against a set of Zorph warships under the unimaginative control of the computer. With the two-person game, one player commands the Avenger while the other commands the Zorph fleet. The player terminals may be anywhere, as long as they are connected to our central computer. Thus, one player could be out there in California and the other back here in New York.. The grey man turned and raised grey eyebrows. "There is my friend, my nearest and dearest." He bag. "Who are they?" Ralston asked. "You think we're going to be meeting some Martians? People? I don't see how. I don't believe it." One of the transporters approached the bunker with a steadily

rising whine, then hovered motionless for a second almost immediately over him before descending smoothly. Its rear door slid open to reveal the lean, swarthy figure of Captain Sirocco in helmet and battledress, still wearing his flak-vest. He jumped out nimbly while the transporter was still six feet above the ground, and ambled up to Colman. Behind his ample black moustache, the easy-going lines of his face betrayed as little as ever, but his eyes were twinkling. "Pretty good, Steve," he said without preamble as he turned with his hands on his hips to survey the indignant scowls from the captured "enemy" officers standing sullenly by the bunker. "I don't think we'll get any Brownie points for it though. We broke just about every rule in the book." Colman grunted. He hadn't expected much else. Sirocco raised his eyebrows and inclined his head in a way that could have meant anything.
