Silence did not say. He had learned there in two or three years what some boys learned in six or seven and many never learned at all, but to him it had been mere groundwork..They held each other tight, hard, silent for a long time. To Diamond it was as if he held his future, his own life, his whole life, in his arms..be no true king of Earthsea. That was a trade he wanted no part of. Their ships stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out of Geath to the east was a galley carrying whale oil to O Port. He had heard talk of the Closed Sea, south and east of O, where there were rich isles, little known, that had no commerce with the lands of the Inmost Sea. What he sought might be there. So he went as a weatherworker on the galley, which was rowed by forty slaves..the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost.Hemlock was 10th to practice any of the lesser arts of magic. He gave orders, and.heard about on Roke, nor did he ever speak about them there, maybe fearing the Masters would.He treasured her rustic sayings of that kind. Sometimes she frightened him, and he resented it. His dreams of her were never of her yielding to him, but of himself yielding to a fierce, destroying sweetness, sinking into an annihilating embrace, dreams in which she was something beyond comprehension and he was nothing at all. He woke from those dreams shaken and shamed. In daylight, when he saw her big, dirty hands, when she talked like a yokel, a simpleton, he regained his superiority. He only wished there were someone to repeat her sayings to, one of his old friends in the Great Port who would find them amusing. "'I have the cheese money,'" he repeated to himself, riding back to Westpool, and laughed. "I do indeed," he said aloud. The black mare nicked her ear.."Off you go, then," she said, "and leave us to settle this matter of the Rule." Her frown was as fierce as ever, but her voice was seldom as harsh as this when she spoke to him.."So, to be blunt about it, if you have this gift, Diamond, it's of no use, directly, to our.herself through life. Of course she thought a merchant's life wasn't good enough for the boy..gave the wizard immediate and ultimate power over him. Songs and stories indicate that dragons existed before any other living creature. The Old Hardic. It struck with one huge thunderclap out of sudden utter blackness and wild rain. The ship pitched like a horse rearing and then rolled so hard and far that the mast broke loose from its footing, though the stays held. The sail struck the water, filled, and pulled the galley right over, the great sweeps sliding in their oarlocks, the chained slaves struggling and shouting on their benches, barrels of oil breaking loose and thundering over one another-pulled her over and held her over, the deck vertical to the sea, till a huge storm wave struck and swamped her and she sank. All the shouting and screaming of men's voices was suddenly silent. There was no noise but the roar of the rain on the sea, lessening as the freak wind passed on eastward.
