dismissed other thoughts from his mind. The display was one of several associated with Number 5 Group of the Primary Fuel Delivery System and related to one of the batteries of enormous hydrogen-feed boost pumps located in the tail section of the vessel, five miles from where Fallows was sitting. "Come on in," she said, stepping back. "We might as well talk about this." They entered, and McKillian turned on the light and sat down on her mattress. Ralston was blinking, nervously tucked into his pile of blankets. Since the day of the blowout he never seemed to be warm enough. At long last the Mediator has got both sides to agree to another meeting. It's to take place tomorrow. He replied, "They quickly become deaf and so have no need to speak. Indeed, few work more than. Briefly, to answer other statements in the letters: I apologize for implying that Tolkien's hobbits and Ents (or his other bucolic-comic creations) are as empty-sublime as the Big People's heroics. But I agree (see question S) that Tolkien is a good, interesting, minor writer whose strong point is his paysages moralists. Ditto C S. Lewis, in bis Naraya books. As for other writers mentioned, only strong, selective blindness could miss the Vancian cynicism or the massive Dunsanian irony (sometimes spilling over into despair) which make their heroism far from simple or unquestioned-by-the-authors-them-selves. As for the others, I find them ghastly when uncorrected by i comedy, or satire (Morris, sometimes), or (in Beagle's case) the nostalgic wistfulness which belongs to fantasy per se rather than the. he tried to pretend he wasn't. This eloquent novel,\* says the jacket of Taylor Caldwell's The Devil's Advocate, making two errors. The MacKinnons introduced themselves. His name was Jason. Hers was Michelle. They lived quite nearby, on West 28th, and were interested, primarily, in the television shows they'd seen when they were growing up, about which they were very well-informed. Despite a bad first impression, due to his associating them with Maggie of the green sofa, Barry found himself liking the MacKinnons enormously, and before the next switchover he put his chair in the LOCK position. They spent the rest of the evening together, exchanging nostalgic tidbits over coffee and slices of Partyland's famous pineapple pie. At closing time be asked if they would either consider giving him an endorsement. They said they would have, having thoroughly enjoyed his company, but unfortunately they'd both used up their quota for that year. They seemed genuinely sorry, but he felt it had been a mistake to ask. I flagged a cab to take us back to the cabletraio station. Amanda said nothing for the entire ride, just sat staring at her hands clenched in her lap. I put an arm around her. She stiffened momentarily at my touch, then buried her face against my shoulder. At the station, waiting for the train to come in, she sat up and began pushing at her hair. Is it simply that I'm screwing up on my own hook, or is it because we're exploring a place no. Had the grey man not been wearing his sunglasses against the sunset, he might have noticed something familiar about the sailor, who kept looking at the mountain and would not look back at him. But as it was, he suspected nothing. "What can you tell me about him?" "We had a back-up pilot, of course. You may be surprised to learn that it wasn't me. It was Dorothy. Fantasy & Science Fiction #23. Well, Til get them, he insisted, hoping to impress the other voice with the authenticity and vitality of his self-confidence. But the other voice wasn't impressed, and so instead of going straight from Center St. to the nearest speakeasy to celebrate, he took the subway home and spent the evening watching first a fascinating documentary on calcium structures and then Celebrity Circus, with Willy Marx.
