An undercurrent of murmuring rippled quickly around the hall. Congreve nodded, indicating his anticipation of the 'objections he knew would come. He raised a hand for attention and gradually the noise abated. Robert F. Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. He looks again at the group standing at the rail; now he sees that the woman has a child in her arms. The child struggles, drops over the rail. Smith hears the woman shriek. In a moment she too is over the rail and falling into the sea. The trip to Manaus was an ordeal, but it ended in Darlene's arms. She was blonder and more beautiful than he'd remembered, more loving and tender than he'd ever known her to be, and in the union that was their reunion Nolan found fulfillment. Of course there was none of the avid hunger of Nina's coiling caresses, none of the mindless thrashing to final frenzy. But it didn't matter; the two of them were together at last. The two of them, and Robbie..I shook my head. "You've lost me. A kilo of buildings?". After all, she meant well; it was just that he was too damned tired to put up with any more nonsense from Amos. But the moon went down, so we had to stop climbing, and we saw your light." then proceeds to divide and become an independent organism, again a kind of clone.. "Good for you," he said when Amos had climbed onto the deck and given him the glass. "Now come have lunch with me, but for heaven's sake get out of that circus tent before I get another headache."
